Good Morning Chris and Jeff!

And thank you Chris for the introduction, much appreciated.

I am trying to get up to speed on this matter, and for now am interested in seeing the final Arizona Superior Court order (referenced in the AZ appellate brief as "a signed minute entry order") affirming the Arizona Water Quality Appeal Board's determination, and any final Arizona Appellate Court orders. My searches on Westlaw came up with this appellate docket and provided only the original appellate briefs, but I would like to see all the supplemental briefs that were filed in April 2022 and any update in the status of this appeal.

Thank you again for your assistance!  
Sara

Hi Jeff and Sara,

I'd like to introduce you to each other.

Jeff is AZ's AGO attorney representing ADEQ on the Resolution Copper AZPDES permit reissuance.

Sara is EPA's attorney assigned to the same.

I just met with Ellen Blake et al in R9. Sara would like to speak with Jeff about our new source analysis for this permit.

Regards,

**Chris Montague-Breakwell**
